Disappearing 9 Patch

Sunday, March 14

1:00-4:00pm

Disappearing 9 Patch quilts are designed by arranging and sewing together nine squares to create a traditional 9 patch quilt block. But instead of leaving the block as-is, it is sliced into 4 equal

sections to create the disappearing design. Sample quilt was made from 10" squares of fabric cut into 4 - 5" square pieces. The addition of a background fabric and two borders will produce a quilt approximately 66"x66" square. You can make this quilt as scrappy as you would like or make all of the blocks out of the same fabrics for a very traditional looking quilt.
